

Internet Resources for Teachers and Students

- *** www.pbskids.org
Find music, games, coloring, videos, activities and more for your students, all with the PBS characters they love!
- *** www.betsyskindergartenadventures.com
Meet the entire cast of characters, watch videos, download activities for students and sign up for e-mail updates for Betsy's Kindergarten Adventures!
- *** www.donorschoose.org
Teachers and students can post lists of items they would like donated to their schools, and donors can help fund school projects that interest them.
- *** www.scholasticbooks.com
One of the things I love about this site, is you can type in the grade level and reading level you are teaching, and they will generate a list of books that are appropriate for that level and where they can be found.
- *** www.songsforteaching.com
Find songs grouped by themes such as math, science, early childhood, seasons and holidays, and special education to accompany your lessons.
- *** www.readwritethink.org
This site provides educators and students access to high quality plans and resources in reading and language arts instruction, all of which are linked to state standards.
- *** www.teachertidbytes.com
Provides teachers with web resources, web-integrate lesson plans and pre-made online educational power-points for teachers on a variety of subjects.
